

The 16th International Conference on Combustion and Energy Utilization, 09-13 February 2025, Hong Kong

Organiser

Department of Mechanical Engineering,
City University of Hong Kong

Co-organiser

Department of Aeronautical and Aviation Engineering,
Hong Kong Polytechnic University

Sponsor

K. C. Wong Education Foundation

Important dates

- Deadline for extended abstract (2-4 pages): 15 December 2024
- Notification of abstract acceptance: 5 January 2025

About ICCEU

The ICCEU provides a forum for discussion and exchange of scientific ideas and latest research achievements in the fields of combustion science and technology and energy utilization.

Abstract and Paper Submission

All extended abstracts should be submitted to icceu16@gmail.com and will be peer-reviewed before being accepted for presentation at the conference and published in the conference proceedings. Download the templates for extended abstract and paper from <https://www.icceu16.com>.

Past Conferences of ICCEU

- 1st ----1990, Beijing
- 2nd ----1993, Beijing
- 3rd ----1995, Hong Kong
- 4th ----1997, Bangkok
- 5th ----1999, Shanghai
- 6th ----2002, Kuala Lumpur
- 7th ----2004, Hong Kong
- 8th ----2006, Sochi
- 9th ----2008, Beijing
- 10th ----2010, Turkey
- 11th ----2012, Portugal
- 12th ----2014, Lancaster
- 13th ----2016, Taipei
- 14th ----2018, Sendai
- 15th ----2023, Beijing

Topics of interest

- Combustion Fundamentals
- Biomass Cogeneration System
- Heat and Mass Transfer
- Energy Utilization
- Droplet and Spray Combustion
- Hydrogen Energy
- Combustion of Solid Fuels
- Clean Fuel Technologies
- Coal and Coal Slurry Combustion
- Pollutant Emissions and Control
- Applied Combustion Technologies
- Thermal Recycling (Conversion) of Solid Waste
- Fluidized Bed Combustion
- Internal Combustion Engines
- Computational Combustion
- Combustion Systems Design
- Combustion Diagnostics
- Rocket/Missile Propulsion
- Atomization and Sprays
- Gas Turbine Combustion
- Alternative Fuels
- Net Zero Emissions
- Renewable Energy
- Fire Protection Technologies
- Urban Fire Detection and Early Warning

International Organising Committee (Listed by last name)

- Chung K. LAW (Honorary Chairman), Princeton University
- Hsiao-Kang MA (Chair), National Taiwan University
- Lijun YANG (Secretary General), Beihang University
- Nabiha CHAUMEIX, CNRS Orleans Campus
- Dezhen CHEN, Tongji University
- Zheng CHEN, Peking University
- Suk-Ho CHUNG, Seoul National University
- Vladimir DULIN, Russian Academy of Sciences
- Iskender GÖKALP, French National Centre for Scientific Research
- Yuzhen LIN, Beihang University
- Xin LIU, Beijing Society of Thermophysics and Energy Engineering
- Kaoru MARUTA, Tohoku University
- Epaminondas MASTORAKOS, University of Cambridge
- Jorge M.M. BARATA, Universidade da Beira Interior
- Assaad MASRI, University of Sydney
- Kuo-Long PAN, National Taiwan University
- Jeong PARK, Pukyong National University
- William ROBERTS, King Abdullah University of Science and Technology
- Sheng-Yang SHY, National Central University
- Chung-Jen TSENG, National Central University
- Bing WANG, Tsinghua University
- Chih-Yung WEN, The Hong Kong Polytechnic University
- Ming-Hsun WU, National Cheng Kung University
- Qiang YAO, Xinjiang University
- Chun Sang YOO, Ulsan National Institute of Science and Technology
- Peng ZHANG, City University of Hong Kong

Local Organising Committee

- Peng ZHANG, City University of Hong Kong
- Ning LIU, City University of Hong Kong
- Penghao DUAN, City University of Hong Kong
- Weihong LI, City University of Hong Kong
- Wei WU, City University of Hong Kong
- Yu GUAN, Hong Kong Polytechnic University
- Zijian ZHANG, Hong Kong Polytechnic University
- Hui TANG, Hong Kong Polytechnic University
- Liang AN, Hong Kong Polytechnic University
- Song CHENG, Hong Kong Polytechnic University
- Xinyan HUANG, Hong Kong Polytechnic University
- Wei REN, Chinese University of Hong Kong
- Larry LI, Hong Kong University of Science & Technology

Plenary Lecturers

- Assaad MASRI, University of Sydney, Australia
- Fei QI, Shanghai Jiao Tong University, China
- Carlos FERNANDEZ-PELLO, UC Berkeley, USA

Registration fee

	Standard	Student
In person	USD 600	USD 400
Accompanying	USD 100	

Notice:

- ◆ The fee for each participant (in person) includes admission to all technical sessions, tea break refreshments, welcome reception, and farewell party.
- ◆ The fee for accompanying guests includes welcome reception and farewell party.
